Law enforcement in the United Kingdom is organised separately in each of the legal systems of the United Kingdom: England and Wales, Northern Ireland and Scotland. Most law enforcement is carried out by police officers serving in regional police services (known as territorial police forces) within one of those jurisdictions. These regional services are complemented by UK-wide agencies, such as ...

The Forest Industry Safety & Technology conference showcases new practices, systems and tools for improving forest safety “ focused on local and practical outcomes.

Forest Safety & Technology

A car (or automobile) is a wheeled motor vehicle used for transportation. Most definitions of car say they run primarily on roads, seat one to eight people, have four tires, and mainly transport people rather than goods. Cars came into global use during the 20th century, and developed economies depend on them. The year 1886 is regarded as the birth year of the modern car when German inventor ...

(download PDF, 3,6 MB)The road to a local IGF: Country profiles, A condensed collection of the experiences fellows made (and are making) setting up a national IGF.

IGF Academy

You don't have to be a health professional or deliver health services to have a positive impact on the health of the community you serve. The CVS Health Network supports and informs organisations and individuals who engage with the community and who are therefore well placed to cascade opportunities, news, training and resources.
