Culture (/ ˈkʌltʃər /) is the social behavior and norms found in human societies. Culture is considered a central concept in anthropology, encompassing the range of phenomena that are transmitted through social learning in human societies. Cultural universals are found in all human societies; these include expressive forms like art, music, dance, ritual, religion, and technologies like ...

Culture - Wikipedia

Popular culture (also called pop culture) is generally recognized by members of a society as a set of the practices, beliefs and objects that are dominant or ubiquitous in a society at a given point in time. Popular culture also encompasses the activities and feelings produced as a result of interaction with these dominant objects. Heavily influenced in modern times by mass media, this ...
