The Ostern (Eastern) or Red Western (also known as "Borscht Western") was a genre film created in the Soviet Union and Eastern Bloc as a version of the Western films that originated in the United States. The term refers to two related genres: Proper Red Westerns, set in America's "Wild West" but involving radically different themes and interpretations than US westerns.

80% of communities are served ONLY by trucks because there are 4.1 million miles of roads but only 95,000 route miles of rail tracks. I too would like to see more rail, but all of the rail companies are privately owned, and more than any other industry they have to plow most of their profits back into maintaining their rail lines.

Diesel is finite. Trucks are the bedrock of civilization

Physical attractiveness is the degree to which a person's physical features are considered aesthetically pleasing or beautiful. The term often implies sexual attractiveness or desirability, but can also be distinct from either. There are many factors which influence one person's attraction to another, with physical aspects being one of them.

Angel (1999â€“2004) was an American TV show, created by Joss Whedon and David Greenwalt and airing on The WB, about the ongoing trials of Angel, a vampire whose human soul was restored to him by gypsies as a punishment for the murder of one of their own. After more than a century of murder and the torture of innocents, Angel's restored soul torments him with guilt and remorse.
