DeColonizing the Mind Summary & Study Guide Description. DeColonizing the Mind Summary & Study Guide includes comprehensive information and analysis to help you understand the book. This study guide contains the following sections:

DeColonizing the Mind Summary & Study Guide

Decolonization (American English) or decolonisation (British English) is the undoing of colonialism, the latter being the process whereby a nation establishes and maintains its domination over one or more other territories. The concept particularly applies to the dismantlement, during the second half of the 20th century, of the colonial empires established prior to World War I throughout the world.

Terminology. The words that are used to describe the study of museums vary depending on language and geography. For example, while "museumology" is becoming more prevalent in English, it is most commonly used to refer to the study of museums in French (muséologie), Spanish (museología), German (Museologie), Italian (museologia), and Portuguese (museologia) while English speakers more ...
