4 Operating Models | Delivering on strategy and optimizing processes While an operating model is not the strategy itself, it does help refine and reinforce it. Similarly, while it is not the operational instructions, it does help guide them.

### **Operating models: Delivering on strategy and optimizing**

The law of the United States comprises many levels of codified and uncodified forms of law, of which the most important is the United States Constitution, the foundation of the federal government of the United States. The Constitution sets out the boundaries of federal law, which consists of Acts of Congress, treaties ratified by the Senate, regulations promulgated by the executive branch, and ...
