In Balkans folklore, a dhampir (sometimes spelled dhampyre, dhamphir, or dhampyr) is a creature that is the result of a union between a vampire and a human. This union was usually between male vampires and female humans, with stories of female vampires mating with male humans being rare.

This list covers the many types of dhampirs or dhampir-like creatures found in fiction. It does not include any dhampir that originates in folklore or mythology, nor does it include the concept of 'full' vampires.
