Lifelong learning is the "ongoing, voluntary, and self-motivated" pursuit of knowledge for either personal or professional reasons. Therefore, it not only enhances social inclusion, active citizenship, and personal development, but also self-sustainability, as well as competitiveness and employability. Evolved from the term "life-long learners", created by Leslie Watkins and used by Professor ...

English as a second or foreign language is the use of English by speakers with different native languages. Language education for people learning English may be known as English as a second language (ESL), English as a foreign language (EFL), English as an additional language (EAL), or English for speakers of other languages (ESOL). The aspect in which ESL is taught is called teaching English as ...

2- Definitions of L2. It is crucial here to mention the difference between a Second and a Foreign language, which are both referred to as L2. People who are living in an English-speaking community/country are learning English as their SECOND language. "The learner of the second language is surrounded by stimulation, both visual and auditory, in the target language and thus has many ...
