In religion, divinity or Godhead is the state of things that are believed to come from a supernatural power or deity, such as God, the supreme being, creator deity, or spirits, and are therefore regarded as sacred and holy. Such things are regarded as divine due to their transcendental origins or because their attributes or qualities are superior or supreme relative to things of the Earth.

Divine retribution is supernatural punishment of a person, a group of people, or everyone by a deity in response to some action. Many cultures have a story about how a deity exacted punishment upon previous inhabitants of their land, causing their doom.. An example of divine retribution is the story found in many cultures about a great flood destroying all of humanity, as described in the Epic ...
