Educational inequality is the unequal distribution of academic resources, including but not limited to; school funding, qualified and experienced teachers, books, and technologies to socially excluded communities. These communities tend to be historically disadvantaged and oppressed. More times than not, individuals belonging to these marginalized groups are also denied access to the schools ...

Educational inequality - Wikipedia

Educators are experiencing almost relentless pressure to show their effectiveness. Unfortunately, the chief indicator by which most communities judge a school staff's success is student performance on standardized achievement tests. These days, if a school's standardized test scores are high, people ...
