Meningitis is an acute inflammation of the protective membranes covering the brain and spinal cord, known collectively as the meninges. The most common symptoms are fever, headache, and neck stiffness. Other symptoms include confusion or altered consciousness, vomiting, and an inability to tolerate light or loud noises. Young children often exhibit only nonspecific symptoms, such as ...

Similar to comic books, graphic novels weave rich, lively visuals with a limited amount of text to drive the narrative. They can be especially appealing to young readers who are reluctant to pick up a more traditional book. Graphic novels are a great way to help struggling readers strengthen vocabulary, build reading confidence and stamina, and develop a deeper appreciation of

Leonie's Top Books of 2018. by Leonie Dawson | Dec 19, 2018. G'day possums, It's that time of year! my yearly book review post! This has been an annual tradition for the last 7 years! to share the books that I've read for the last year that have deeply affected me. It started as a fun way for me to document and give gratitude for the book friends I'd made that year.
