Technology & Assessment - Electronic Portfolios

Educational technology is "the study and ethical practice of facilitating learning and improving performance by creating, using, and managing appropriate technological processes and resources".. Educational technology is the use of both physical hardware and educational theoretic. It encompasses several domains including learning theory, computer-based training, online learning, and where ...

Educational technology - Wikipedia

This book is dedicated to my best friend and remarkably encouraging husband, Okon, who has supported me throughout this great quest.
